PROFILE

AI-native product leader and ex-founder (~8 yrs), focused on 0-to-1 AI products and revenue ownership. Scaled a new vertical at RentOk to **Rs 25-30L ARR** with adoption up **45% to 72%**, and earlier bootstrapped a startup **0 to Rs 1.15 Cr ARR** in 18 months.

PROFESSIONAL EXPERIENCE

Lead Product Manager — New Vertical | RentOk (formerly EazyPG) | Sep'24 – Present

B2B PropTech SaaS • Delhi NCR

- Own the P&L for a new AI product vertical growing **20-25% MoM** across Pan-India, leading a **10-member** product team and **3-4** vendor partners.
- Built and own RentOk Genie, a WhatsApp-native AI assistant for tenant communications — scaled **0 to Rs 25-30L ARR**, architected and shipped solo end-to-end.
- Designed and shipped a self-built, AI-driven property-website product end-to-end — product, engineering and marketing — adding **Rs 2-3L/month** with zero engineering dependency.
- Deployed an AI sales agent capturing **10,000+** inbound leads and lifting visit-to-conversion **4x**.
- Authored **50+** PRDs/BRDs aligning UX, engineering and QA; closed fintech and utility partnerships for a **~20%** ancillary revenue lift.

Product Manager | RentOk (formerly EazyPG) | May'22 – Sep'24

B2B PropTech SaaS • Delhi NCR

- Lifted product adoption **45% to 72%** and retention **~70% to ~90%**, directly compounding core subscription revenue.
- Built the Demo Hub CRM and pre-sales engine — **1,500 demos** booked, **200** converted to paid — contributing **Rs 24-30L MRR** within three months.
- Led the Tenant KYC redesign (owned product design; engineering-built) — cut verification **1 hr to 90 sec**, driving **40% MoM** growth.
- Cut tenant onboarding **24 hrs to 10 min** and logged **600+** onboardings via a WhatsApp + dashboard tracker.

Strategy & Growth Associate | Eximus Ventures | Dec'21 – Apr'22

Early-stage VC (\$10M) • Gurugram

- Drove strategy and growth for a **\$10M** micro-VC (fintech, health-tech, gaming), running first-round diligence calls with founders raising capital.
- Forged **70+** portfolio partnerships, built an Airtable + Zapier hiring CRM (**~50% faster**), grew inbound traffic **~100 to ~1,300/day** and influenced **two** investment decisions.

Product Manager | Hood (formerly DotReview / Zorro) | Apr'21 – Dec'21

Consumer Social (\$5M) • Gurugram

- Owned product for a consumer social app, pivoting a niche B2B review tool into a B2C founder-investor community.
- Launched Lounge (**2x** engagement) and scaled Feed & Group from **500** beta users to **10,000+** DAU; onboarded **500+** investors and founders.

Founder | Yunay Automobiles | Aug'18 – Mar'21

Auto-repair Startup • Maharashtra

- Bootstrapped a Tier-2/3 auto-repair startup **0 to Rs 1.15 Cr ARR** in 18 months — **300%** user growth, **30-40%** margins.
- Ran **80+** services/month at **Rs 20K AOV**; locked recurring B2B tie-ups (Uber, Ola, Zoomcar) at **~40%** of revenue.
- Built a Google-Sheets CRM cutting lead leakage **~50%** and lifting lead-handling throughput **5x**.
- Scaled referrals to **25%** of B2C acquisition, **CAC down 70%**; led a **16-member** team across 3-4 locations.
